No Covers (Comic)

by [Karinakamichi](#)

Summary

After the series, Nonon confesses to Satsuki. Satsuki is asexual, and afraid of the notion of intimacy or a relationship, but still likes her romantically. Nonon helps her through some stuff. Possibly will be a few chapters. Deals with some touchy subjects due to Ragyo's sexual abuse, so proceed with caution. Also Warning for some nudity. NSFW stuff is being kept to as much of a minimal as possible.

Chapter 1

Sex. It is considered to be a "primal drive" as the foundation of intimate relationships.

"No Covers" is an analogy to Satsuki letting her guard down and fits KLK, it's not meant to be sexual. Due to the nature of Satsuki's trauma, I feel as tho making this comic very sexual will detract from the beauty of Nonon loving Satsuki even if sex isn't involved and also to Satsuki's own feelings.

Anyway I hope somebody likes this

Chapter 2

This chapter was extremely hard for me to draw due to the content warnings and my own trauma. I didn't want to linger on the sexual assault scenes for too long to avoid the risk of it seeming fetishy, but I still wanted to depict the horrors of the abuse as they were, so the flashbacks with Ragyo are very brief but still might be a little disturbing for some people. I hope somebody enjoys this despite it.

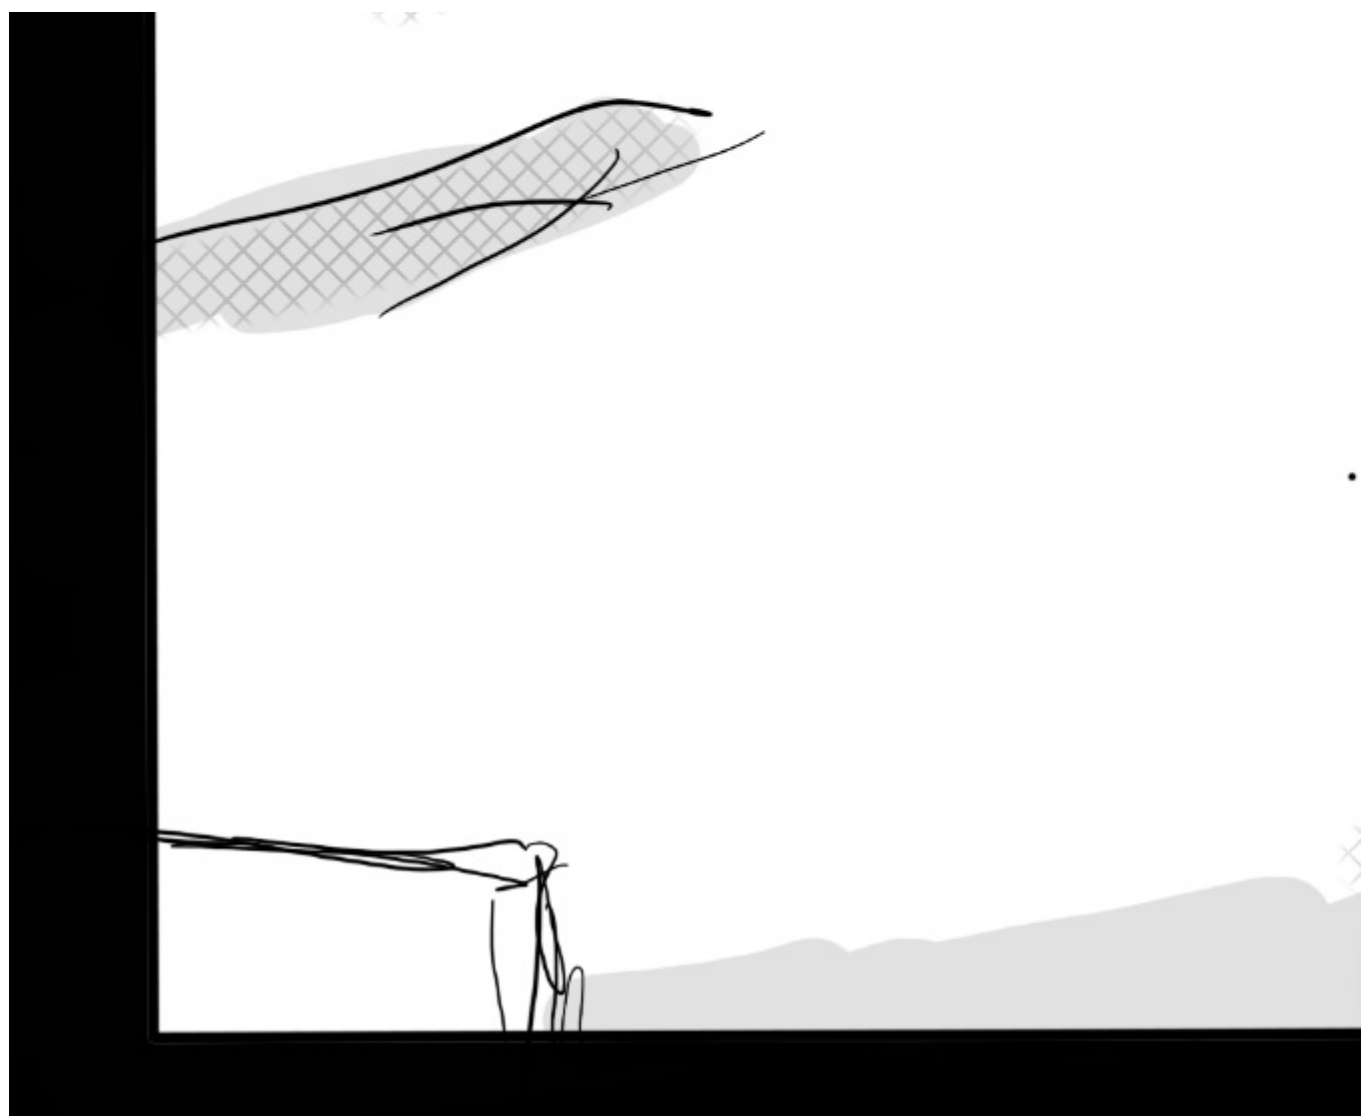

I'm scared.

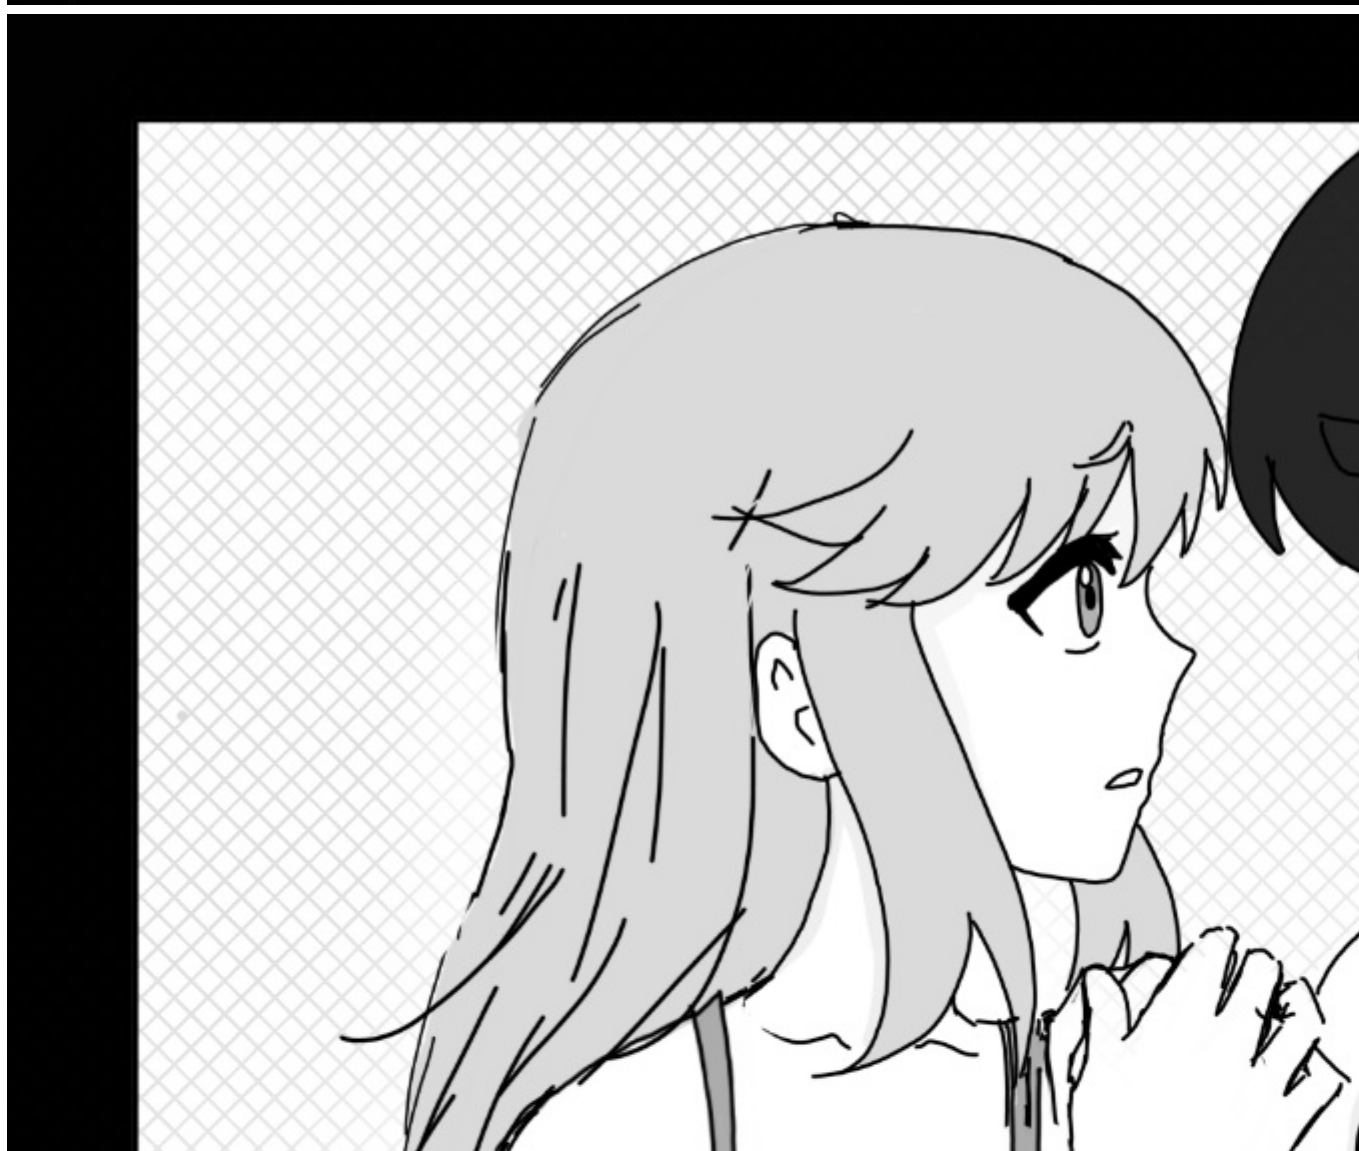

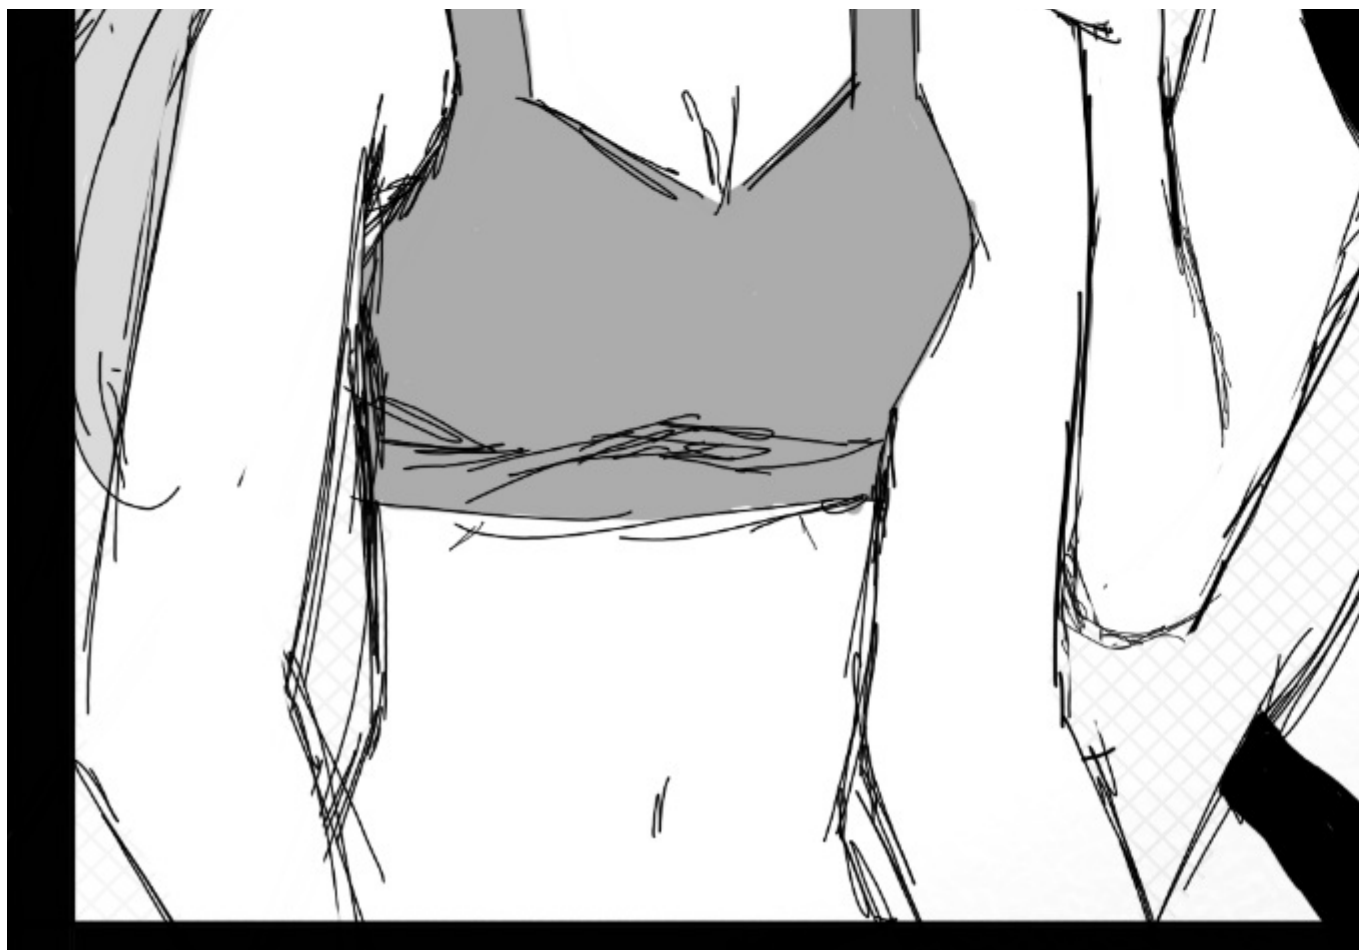

I did not intend to
wake you... I should
probably apologize...

Talk to me...

No, you're the only one who knows... Not even Soroi was aware of what she was doing. She always did it to me when we were alone together.

Damn it...!

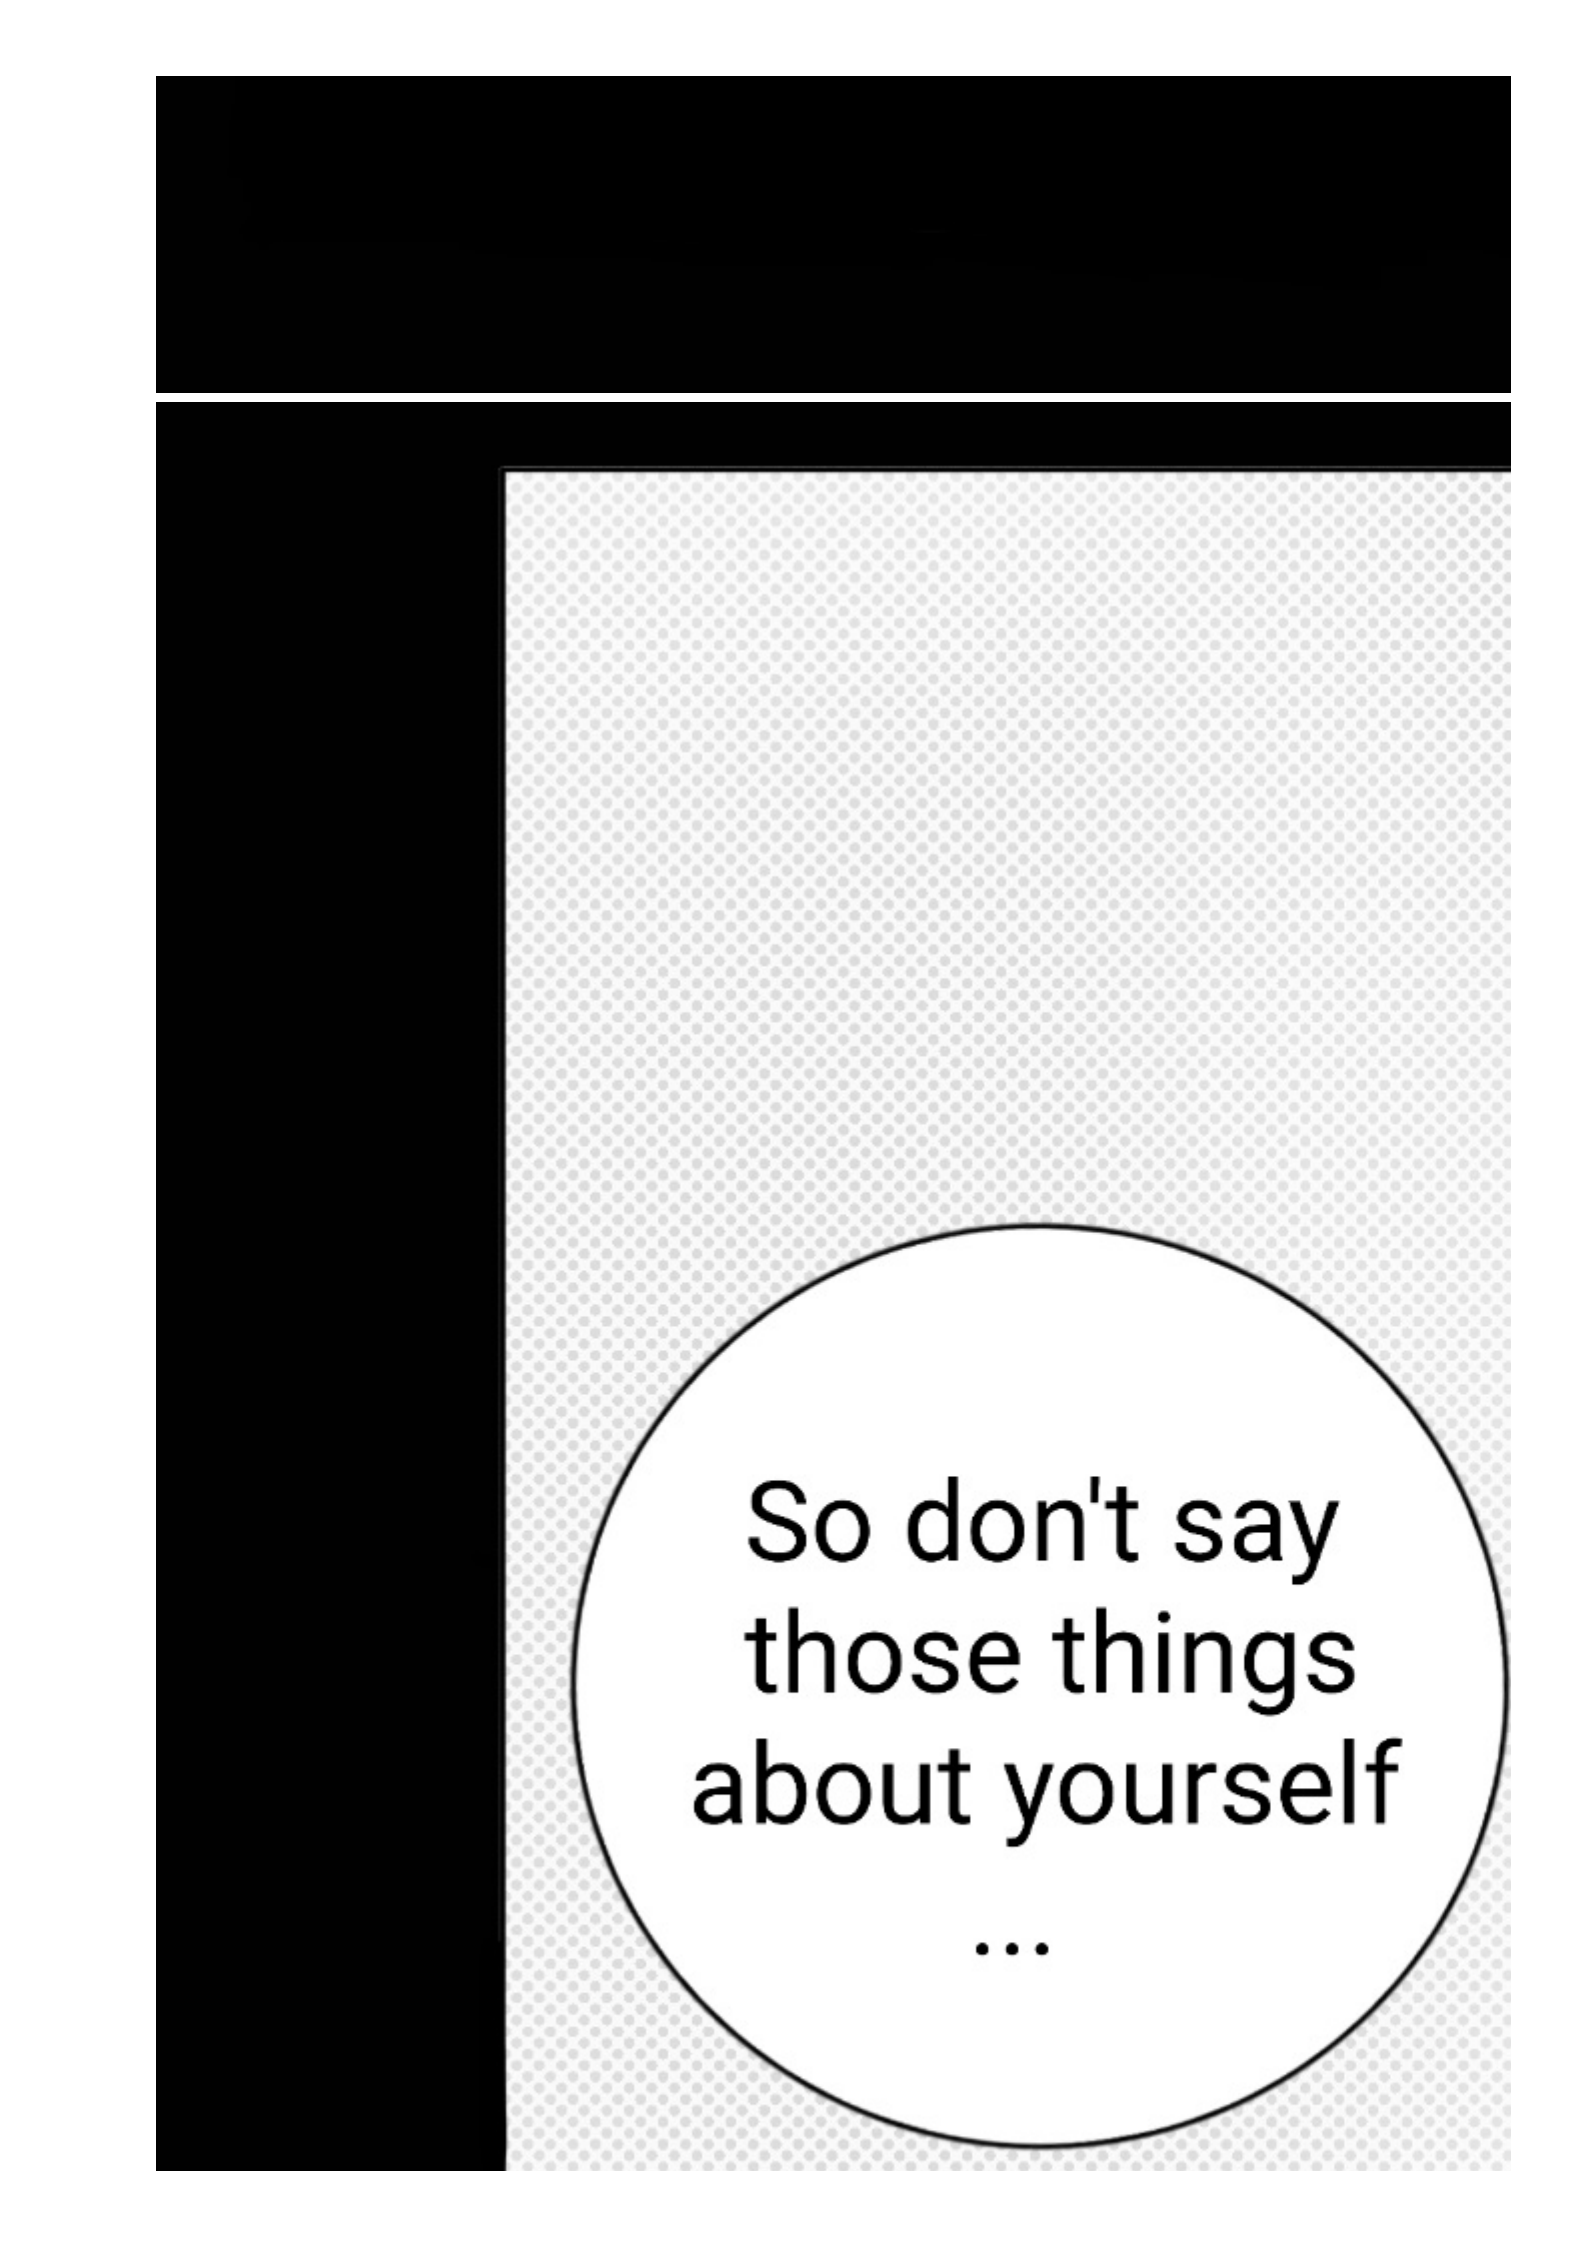

No, of

Why would
you even ask
that?

None of that

know that...
